

Dhanveen

Pigments Pvt. Ltd.

CSR POLICY

DHANVEEN PIGMENTS PVT LTD endorses the purpose of improving the quality of life of the communities we serve and to positively impact the environment we operate in , focusing on sustainability of our programs and empowerment of our communities.

DHANVEEN PIGMENTS PVT LTD seeks to contribute to the society through its distinct value proposition that meets the need of people enhancing their lives through healthcare, improving the quality of lives by providing education, by creating sustainable environment to live in and enabling livelihoods by creating employment opportunities. Followings are the aspects in which we are focusing on:

- **Education:** we thrive to work in various educational initiatives to provide quality education, training, skill enhancement for improving the quality of living and livelihood. Initiatives are aimed at :

STEM LAB - for young minds to learn and excel in major areas of development.

SARDARDHAM - To efficiently help dreamers who appear for Civil Service Exams.

- **Health Care:** to address issues around affordability and accessibility of quality healthcare, we show our continuous support at the **SARDAR PATEL HOSPITAL**.
- **Rural transformation:** to work towards bringing a positive impact on the lives of people through women empowerment and socially uplifting the community as a whole with the assistance of **KHODALDHAM TRUST**.
- **Environment:** to promote good quality of life and environmental sustainability, our goal to is to achieve ecological sustainability, conserve natural resources, maintain the quality of air and water, promote renewable energy and waste minimization.
- **Disaster Response:** we believe it to be our duty to timely help in rehabilitation of communities affected by natural calamities and strengthen our efforts to the development of that particular area.
- **We purpose to deploy the funds at the minimum 2 % of average net profit of the past two year as per Indian company's act 2013 to promote CSR activities.**

The CSR policy document will be reviewed from time to time and any changes, if necessary, will be discussed and approved by the CSR committee within the company.
