

QHSE POLICY

DHANVEEN PIGMENTS PVT. LTD. intends to be a leading MANUFACTURER OF PHTHALOCYANINE PIGMENTS, the needs of our customers in line with the global principles of sustainable development, Responsible Care and quality management systems.

- We conduct our businesses with respect and care for the environment and without compromising the health and safety of people, whether employees, customers or citizens around the world.
- Communicate in an open, timely and factual manner and employ a non-blame culture as there is no better way to learn as an organization.
- Provide high quality products and services to make our customers successful and add value to our business and facilitate an environment for open and transparent communication of QHSE matters.
- Educate our staff in accordance with our training policy, continuously improving staff knowledge and awareness about the importance of quality, safety and respecting the environment in their daily work.
- Manage QHSE effectively by developing, implementing and maintaining a best practice, process oriented, integrated management system.
- Assess and manage the QHSE risks of the business throughout product life cycle and the environmental impacts from past practices.
- Ensure QHSE performance and develop annual and long term QHSE objectives to achieve continuous, sustainable improvement.
- Verify compliance with internal and external requirements through audits and strive for compliance with international standards such as ISO 9001, ISO 14001, ISO 45001 or OSHA 18001.
